ΕΝΑΡΞΗ ΣΧΟΛΙΚΗΣ ΧΡΟΝΙΑΣ
2000-2001

Φίλοι μας,

Μάιος 2001

Το πρώτο τεύχος του περιοδικού μας που κρατάτε στα χέρια σας περιέχει εργασίες των παιδιών μας που είναι χαριτωμένες και σοβαρές, χιουμοριστικές ή μυστηριώδης, επιστημονικές ή με επίκαιρα θέματα, πάντα όμως, γεμάτα φαντασία, και ιδίως **ΜΕΡΑΚΙ !**

Όλες οι εργασίες των μαθητών που δημοσιεύονται και άλλες τόσες που, δυστυχώς, λόγω έλλειψης χώρου δεν καταχωρήθηκαν, είναι δείγμα του “ ζωντανού” πάρε δώσε της μάθησης της ξένης γλώσσας, που για μας εδώ σημαίνει : **Αγάπη** γι’ αυτό που προσφέρουμε και ικανοποίηση για το αποτέλεσμα του μόχθου μας.

Ευχαριστώ όλους τους πραγματικά εκπληκτικούς συνεργάτες μου, που τόσο ζεστά και υπεύθυνα διεκπεραιώνουν το έργο τους. Ευχαριστώ τα παιδιά μας που ανταποκρίνονται και “καρποφορούν” τις γνώσεις που τους μεταδίδουμε.

Τέλος, ευχαριστώ - προσωπικά - όλους **τους γονείς** που μας εμπιστεύθηκαν ότι πιο πολύτιμο έχουν αποκτήσει στη ζωή τους, **τα παιδιά τους !**

Δίνουμε όλοι μας λόγο τιμής να είμαστε κάθε χρόνο **ΚΑΛΥΤΕΡΟΙ !**

Μελέτης Ταλαβερίδης

A Class

My favourite famous person

Giovanni Sylvania de Oliveira is my favourite famous person. Giovanni Sylvania de Oliveira was born in Brazil in 1972. He comes from a poor family. He is a football player. He played for Santos, in Barcelona and now he plays for Olympiakos. He is married. His best friends are Luciane de Sousa and Jose Ze Elias. He is famous and he is my favourite famous person because he is a very good football player and because he plays for Olympiakos.

Alexander Zitis
A class

MY FAVOURITE ANIMAL

My favourite animal is the wolf. It's a wild animal. Wolves live in the forest. In Greece we have got many wolves. You can also see wolves in zoos all over the world. It's a beautiful animal. It has got a lot of fur. It's a strong and clever animal and it looks like a dog. It's got small ears and beautiful eyes. The wolf eats deer, rabbits and other small animals. It can run fast, swim and jump.

Lekkas Nick
A Class

MARIAH CAREY

Mariah Carey is the most successful female musician in the world. She is very beautiful.

She's thirty years old. Her clothes are beautiful and very expensive. She is tall. Mariah has been called the "Barbie" of pop. She has released 80 million copies of her three albums. She has topped the American charts with 12 different singles.

Moutselou Sophia
A Class

MY CLASS

There are 11 pupils in my class. We're all different. Kostas never plays tennis. Nick Lekkas always does his homework. Nick Z watches television every day. Polixeni never eats steak for breakfast. Mary sometimes gets up at 11:00 am. Sophia usually walks to school. Jim goes to the beach every summer. George sometimes listens to classical music. Lefteris always has tidy room. Sophia rarely eats sweets.

Kourtidi Dimitra
A Class

DETECTIVES

Mata Hary was a spy who worked for the French and the Germans. She was married to a soldier from the Dutch army. Her real name was Margaret Zesle. With her husband she travelled to Sumatra and Java. When she got divorced she returned to Europe as an exotic dancer with the fake name Mata Hary. (in Malaysia it means sun). She could solve many cases and she gave a lot of information to people of Belins. Mata Hary was killed in Paris in 1919.

Kappas Kostas
A Class

AGATHA KRISTI

She was born in 1890 and she died in 1976. Agatha was very clever and intelligent. Some of her books are : Hercules Puaroand Miss Barpl. Her books are read by many people. She always looks for clues and nobody can solve the case before her. She is a very clever detective. She has got British humor. Some people say "she is a very intelligent detective". Other books are: The death of Rotzer Acroyd, Death on the Nile, Orient Express. In her book "The death of Rotzer Acroyd" the killer is Agatha Kristi. She was married twice. One time with Max Mologouan . The next time with a star. She had got the tittle of the Dame. Hercules Puaro and Miss Burpl are the e ccentric figures of the book. Her book "The death of Rotzer Acroyd" was her first best seller in 1926. With her first husband she travelled all around the world. Her books are fanatically read by the old and the young people. Maybe kids can read them, too.

Kappa Kolixeni
A Class

RABBIT

It is an animal that bears babies. The rabbit eats carrots , leaves and apples. It gives birth 3 - 4 times in a year. 1 - 4 babies.

BEAR

The bear lives in the forest. It's a big animal, it has got enormous strength . The bear can run very fast. It climbs on the trees and it also swims.

Koutroubanou Maria
A Class

MY FAVOURITE ISLAND

My favourite island is Crete. It is a very beautiful place with many beaches. You can do a lot of water sports. Heraclio is the capital City. There are many beautiful places in Crete. All the people go for coffee or at the cinemas. Crete is famous because of Knosos. Knosos was a place of great historical importance.

ΕΚΑΤΟΜΗ ΣΤΟΝ ΠΑΡΝΑΣΣΟ

ΕΚΑΤΟΜΗ ΣΤΟΝ ΠΑΡΝΑΣΣΟ

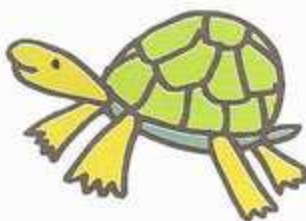

My country is Greece. It is much smaller than Australia. It is on the continent of Europe. Athens is the capital city of Greece.

Thessaloniki, Patra and Ioannina are some big cities. There are a lot of islands like Rodos, Crete, Samos, Corfu.. There are a lot of historical places. The most important are the Acropolis, Mikines, the Parthenon and Nafplio.

Many tourists visit our country every year to see our beautiful sights.

Electra Mitakidou
B class

My name is Sophia. My pets are three dogs and they are so bad!!!

My favourite dog is Aisa. She is nine years old. She is very beautiful and she has got beautiful eyes. She likes to go out with me every afternoon at 6 o'clock. She likes to play with all the children and she likes running. I am very happy to have Aisa.

Pilichou Sophia
B Class

My village is Vellies. It is near Monemvasia. It is named Vellies after the Turkish Veli in 1821 who was a pasas there. One day the people of the village went to the house of Veli. They started to fight with his soldiers. They killed the soldiers and went into the house. He was very scared so he shouted at them and warned them that he would kill them. They took him and they hung him under a tree which is near my house. So the village was called Vellies and I am very proud that I am from there.

It has now 200 people and there are other villages around it, such as Agioi Saranta, Agios Profitis Ilias. It has many olive trees, orange trees, so it sells oil, olives, oranges, tomatoes and many more things.

Derzioti Stamatiki
Derziotis George

I live in beautiful Greece. Greece has got many islands and good people. It has got many big cities like Kalamata, Patra, Nafplio, Athens, Thessaloniki, Volos and many other cities. Albania, Skopia, Bulgaria and Turkey are the countries bordering Greece.

Kostas Pefanis.
B class

The sea turtle is a reptile that can live in water. It breathes with lungs and it has a hard shell around its body. It lays its eggs in a nest on the same beach where it was born.

The sea turtle used to lay eggs on beaches in many parts of the world.

Today there are not many beaches where the sea turtle can lay its eggs.

Petronikolos Nikolaos
B class

The panther is a a very wild animal. He lives in forests and he runs very fast. He keeps the small panthers only for two years with him and he teaches them how to catch their food.

Greece

Well, this is my country Greece. I was born in Athens the capital of Greece. I live in Peristeri at 4 Dimitras street. I go to 11th Junior High School. My villages are in Salamina and Cephallonia. Greece is a very beautiful country. It has got rivers, mountains and beautiful beaches. People from other countries (Africa, Asia, America) visit my country to see the beautiful sights. I love my country because it has got beautiful islands with clean beaches. I never want to live anywhere else.

Sophia Pilichou
B Class

"My city"

I live in Athens, the capital of Greece. It has got a population of 4,000,000 people. I like my city because there are many things to do and many places to go to. There are many cinemas, theatres, restaurants, shopping centres and a lot of parks. The famous sights are Acropolis, Delphi and the ancient museums. Greece has many geographical features. Mountain Olympus and the river Strimonas are two well-known geographical features. Every week my friends and I go to the cinema or the park near my house. Athens is different from any other city in the world. I love my city!

Nicky Kavourinou
Class B

Will Smith

Will Smith is a very popular young actor and singer. He became famous after his first successful album. "He's a true DJ" I'm the Rapper, which he recorded with his friend DJ Jazzy Awad. He has also produced the solo album "Big Willie Style". Will Smith started his career as a star on the TV serial "The fresh Prince of Bel Air" and then moved on to the cinema. He has starred in "Two blockbusters", "Independence Day" and "Men in Black". He has also played in "Bad Boys" and "Enemy of the State."

Panayiotidis Paschalis
B Class

CHRISTOPHER COLOMBUS

He was born in 1451 at Genova. He was a big navigator and explorer. He went on an expedition to Spain and took from Isobelle's Castillis three ships. With those ships he discovered America. He departed port Palos on 3 August 1492. He was really looking for a shorter and faster way to India. He wanted to buy jewels and spices for the Spanish King. Instead he discovered the continent of America.

He thought that it was near India and he named the people Indians. He never realized his mistake. Later he discovered Cuba which he called Espaniola and he went back to Spain in 1493. On his second journey with 17 ships he discovered Dominiki, Govadelouri, Adigocaton, Pouerto Rico, and some other islands. On his third journey he discovered the islands Trinitand.

Later he was arrested at the palace and was bound in chains. He was taken to Spain with his brothers. Later he was acquitted from his charges and he made his fourth journey.(1502)

Jenny Balasi

A month ago I visited the island of Cephallonia. I stayed there for one month. I went there with my family, mother, father and my little brother. I had a good time.

We stayed in a hotel. The hotel was very big and comfortable with tasty food and with a view of the sea. The island has nice beaches, churches and big caves.

The weather was very good. I visited the museum with interesting ancient statues, coins and jewellery.

I played with my brother Peter, basketball, volleyball and many interesting games. I made new friends.

Cephallonia is a very beautiful island. I am looking forward to visiting it again!!!

With Love
Jenny Balasi.

Find 10 words in the puzzle.

It's a miracle!!!

It was July 2nd 1960. Our neighbour, Mr. Honeycutt invited me and my sister Deanne to go on a trip on the Niagara River. We got into his new boat and began moving rapidly down the river. Suddenly the engine stopped and the strong current took us closer to the crashing sound of the falls. Then the boat turned over and we all fell into the water. I was very scared.

I started calling for help. But the current kept pulling me and I fell down the huge falls. I thought I would die!!! When I finally reached the bottom I couldn't breathe.

I didn't believe I'd survive. But a boat came quickly to rescue me. I was lucky to be alive!!!!

In 1872, a ship called the Marie Celeste left New York on its way to Italy. A month later, another ship, the Dei Gratia, sailed near the Marie Celeste. The captain of the Dei Gratia, noticed that the Marie Celeste was moving strangely. So he sent a few sailors over in a boat in order to see if anything was wrong. Although the sailors searched the whole ship, they found nobody - either dead or alive. But they found the ship's diary in which nobody had written in for a month.

ΣΥΝΕΝΤΕΥΞΗ ΔΗΜΑΡΧΟΥ

ΔΗΜΑΡΧΟΣ: Καταρχήν, θέλω να σας ευχαριστήσω για αυτή σας την επίσκεψη και να σας συγχαρώ που τόσο νωρίς παίρνετε τέτοιες πρωτοβουλίες και αυτό σημαίνει ότι έχετε αρκετή όρεξη και μεράκι για να προοδεύσετε στη ζωή σας.

ΜΑΘΗΤΗΣ: Πώς αποφασίσατε να γίνετε πολιτικός;

Δ: Δεν είναι μόνο θέμα απόφασης, είναι θέμα συγκυριών. Η πορεία ενός ανθρώπου, η εργασία που έχει, η αναγνώριση και η παρότρυνση από φίλους και συνεργάτες βοηθούν στην επιλογή αυτή. Μου έγινε μια πρόταση, στην αρχή την είδα περίεργα, αλλά αφού είδα ότι μπορώ να ασκώ το επάγγελμα του γιατρού και του δημάρχου και ότι μπορώ να προσφέρω στο Περιστέρι, την πόλη που μεγάλωσα, δέχτηκα.

Μ: Όταν κατεβήκατε για πρώτη φορά στις εκλογές τι νιώθατε;

Δ: Ένιωθα ότι νιώθει ένας άνθρωπος όταν κάνει μια δουλειά για πρώτη φορά. Αμηχανία, λίγο άγχος.

Μ: Είναι δύσκολο το επάγγελμά σας; Τι ρίσκο έχει;

Δ: Βεβαίως είναι δύσκολο και ρίσκο έχει, διότι διαχειρίζεσαι ολόκληρο δήμο, με τόσες πολλές υπηρεσίες, με τόσες αρμοδιότητες. Είναι σαν μια μικρή κυβέρνηση στην πόλη σου.

Μ: Για το Περιστέρι τι άλλα σχέδια έχετε; Υπάρχουν προβλήματα στο Περιστέρι;

Δ: Πώς δεν υπάρχουν. Το Περιστέρι από το 1951 και μετά, ήταν μέχρι το δημαρχείο, από 'κει και πέρα ήταν αλάνες. Σιγά - σιγά όμως πυκνοκατοικηθήκαμε από ανθρώπους που έφευγαν από την επαρχία, οι οποίοι έφτιαχναν τα σπίτια τους αυθαίρετα για αυτό και σήμερα υπάρχουν πολεοδομικά προβλήματα (έλλειψη κοινόχρηστων χώρων, δρόμων). Έχουμε ζητήσει την βοήθεια του ΥΠΕΧΩΔΕ, για να ανοίξουμε δρόμους και να κάνουμε το Περιστέρι μια σύγχρονη πόλη. Θα κάνουμε κέντρα αναψυχής, δημιουργικής απασχόλησης του παιδιού, κέντρο νέων κατά του αλκοολισμού και των ναρκωτικών. Δημιουργήσαμε δημοτική συγκοινωνία, είναι σχεδόν έτοιμο το Πανεπιστημιακό Νοσοκομείο, ένα από τα κέντρα της Ευρώπης, στα σύνορα Χαϊδαρίου - Περιστερίου.

Μ: Για το μετρό τι άποψη έχετε;

Δ: Το μετρό είναι πολύ σημαντικό έργο. Θα δημιουργηθούν 3 σταθμοί του μετρό στο Περιστέρι. Τέλος του 2003 θα είναι έτοιμος ο πρώτος σταθμός και έτσι θα μπορούμε να πηγαίνουμε με το μετρό κατευθείαν στην Αθήνα χωρίς να καθυστερούμε εξαιτίας του κυκλοφοριακού.

Μ: Έχετε ελεύθερο χρόνο;

Δ: Αυτό είναι το παραπονό μου. Πώς να έχω ελεύθερο χρόνο όταν από το πρωί είμαι στο δημαρχείο ή σε κάποιο υπουργείο, το απόγευμα πηγαίνω στο ιατρείο για 2 ώρες και αργότερα μπορεί να έχουμε κάποιο δημοτικό συμβούλιο και έτσι πάω στο σπίτι μου 2 ή 3 το πρωί.

Μ: Πού γεννηθήκατε;

Δ: Στο Κορτάκι Μεσσηνίας, κοντά σε ένα ηρωικό χωριό, το Μανιάκι, όπου πολέμησε ο Παπαφλέσσας.

Μ: Έχετε αδελφια;

Δ: Βεβαίως. Τέσσερα εν ζωή, μια αδελφή και τρεις αδελφούς και ένα ακόμα, ένας γιατρός ο οποίος χάθηκε πριν από 8 χρόνια περίπου, λόγω μιας κακής συνήθειας που έχουν πολλοί, το κάπνισμα.

Μ: Ποιός υπήρξε πρότυπό σας και γιατί;

Δ: Το πρότυπο μου ήταν ο αδελφός μου για να γίνει γιατρός, σπούδασε αρκετά χρόνια πριν από εμένα γιατρός και ακολούθησαν αρκετοί ακόμα από την οικογένεια μας το παράδειγμα του.

Μ: Ήσασταν καλός μαθητής στο σχολείο;

Δ: Όχι άριστος, αλλά καλός. Η γενική μου βαθμολογία ήταν 17 - 18.

Μ: Ποιά είναι η γνώμη σας για εμάς τους νέους;

Δ: Θετική, πιστεύω πως έχετε ιδανικά και αξίες. Υπάρχουν βέβαια προβλήματα αλλά και οι νέοι δεν πτοούνται και τα καταφέρνουν, αρκεί και εμείς να βοηθήσουμε τους νέους.

Μ: Πώς πιστεύετε ότι θα απομακρύνουμε τα παιδιά από το τσιγάρο και τα ναρκωτικά;

Δ: Είναι μεγάλο πρόβλημα, δεν μπορεί να πεις "μην καπνίζεις" και να σταματήσει. Πρέπει να πειστεί ότι του κάνει κακό, ότι δεν απελευθερώνεται, δεν είναι δυναμικός ο νέος που καπνίζει, το αντίθετο, είναι εξαρτημένος. Νομίζω ότι πρέπει να μάθει για όλες τις συνέπειες του καπνίσματος και των ναρκωτικών, που θα επηρεάσουν όχι μόνο τον ίδιο αλλά και ολόκληρη την οικογένειά του. Πιστεύω ότι πρέπει να κάνετε και τέτοια μαθήματα για να κάνουμε μια πιο όμορφη κοινωνία.

Μ: Μιλάτε ξένες γλώσσες και ποιές είναι αυτές;

Δ: Λίγα γερμανικά, καταλαβαίνω αγγλικά χωρίς να μπορώ να μιλήσω, ασχολήθηκα και με τα ρώσικα.

Μ: Είστε παντρεμένος; Έχετε παιδιά;

Δ: Είμαι παντρεμένος και έχω δύο κόρες και ένα γιο.

Μ: Έχετε κατοικίδιο;

Δ: Έχω και είχα πάντα και τα παιδιά μου είναι πολύ φιλόζωα. Ο γιός μου έχει φέρει ένα χάσκι και η κόρη μου ένα κανίς. Τα σκυλιά διδάσκουν την αγάπη.

Μ: Τί ομάδα είστε;

Δ: ΑΕΚ, αλλά όχι φανατισμένοι. Είμαι με όλες τις ελληνικές ομάδες όταν παίζουν στο εξωτερικό.

Μ: Ποιό είδος μουσική σας αρέσει, ποιό γκρούπ και ποιός τραγουδιστής;

Δ: Όλα τα είδη μουσικής ανάλογα με την στιγμή. Απο τραγουδιστές δεν μπορώ να απομονώσω κάποιον.

Μου αρέσουν ο Νταλάρας, ο Πάριος και ένας Περιστεριώτης καινούργιος. Ο Τσαλίκης.

Μ: Ποιό ήταν το αγαπημένο σας παιχνίδι ως παιδί;

Δ: Το κρυφό και παίζαμε το σημερινό baseball με τον δικό μας τρόπο, παίζαμε κουτσό.

Μ: Πώς και πόσο νομίζετε θα επηρεάσει το ευρώ τη ζωή μας;

Δ: Ήδη μας έχει επηρεάσει πριν το εφαρμόσουμε στην πράξη. Θα αντιμετωπίσουμε κάποιες δυσκολίες στην αρχή αλλά θα το αντιμετωπίσουμε. Θα υπάρχει κοινό νόμισμα και έτσι θα μπορούμε να συγκρίνουμε και με άλλες χώρες.

Μ: Σε άλλες ευρωπαϊκές χώρες υπήρχε η φύλαξη των σχολείων εδώ και αρκετό καιρό. Στην χώρα μας, πώς και άρχισε τώρα πρόσφατα;

Δ: Και εδώ στην Ελλάδα υπήρχαν παλιότερα παιδονόμοι, και τώρα άρχισε και πάλι αυτός ο θεσμός εδώ χωρίς να έχουν τις ίδιες αρμοδιότητες. Φροντίζουν τον περιβάλλοντα χώρο και το ίδιο το σχολείο.

Άρχισε γιατί ήταν επιτακτική ανάγκη και αργότερα θα παρει την μορφή του φύλακα - συντηρητή.

Μ: Γενικά τί θα συμβουλευάτε τους νέους για να πετύχουν;

Δ: Το πρώτο που θα συμβούλευα να έχουν θετική στάση για την ζωή, να μην είναι απαισιόδοξοι.

Αυτό που μετράει είναι να αντιμετωπίζεις τα πράγματα με λογική και σύνεση.

Η θετική στάση για τη ζωή τους δίνει την δύναμη να προχωρούν, είναι αυτό που λέει ο λαός μας. "Καλομελέτα και έρχεται."

Μ: Ευχαριστούμε πάρα πολύ για το χρόνο που μας διαθέσατε και σας ευχόμαστε καλή δύναμη στο έργο σας.

Swimming is one of the best sea sports. It needs strong hands, strong feet and clear mind. Some people swim for fun in the summer.

Some others take up swimming as a hobby so they can swim every time they want to, even in winter!!! Some others are professional swimmers. They go to swimming pools and train themselves so they will race against other swimmers. However swimming is good for our health. It's a good sport if someone wants to train himself. All the sea sports are good but I think swimming is the best.

I'm looking forward to the summer holidays when I go swimming in the sea.

If I had 1,000,000 drachmas

I would buy a Lotus (car), two villas and I would travel around the world.

Arhodooula Tsitoura

I would buy a Ferrari or a CBR.

Peter Merambelliotakis

I would go to the Bahamas and I would buy a computer.

Panayiotis Kokolis

I would buy an expensive computer and spend all the money on add-ons for the computer.

George Efthimiou

I would buy a used Fiat Punto.

George Giannitsakis

I would buy a yacht, a villa and I would travel around the world.

Zoe Antonatou

I would buy a TV and a stereo.

Vangelis Koutsiousbas

THE FIRST ASTRONAUT

Giouri Gagarin was the first astronaut in the world. One day he said, "I want to travel to Venus and see what is hidden under the cloud. I also want to visit Mars and see how the surface is." Unfortunately, the first astronaut could not make his dream come true. He never travelled to Venus and he never walked on Mars.

He died in 1968 when he tested the machines of a new airplane. Everybody was unhappy for his death. People said the last goodbye, as he was one of the most important people in the world history.

Giouri Gagarin managed something which nobody could have managed before. He managed to leave Earth and he created a new era for the humanity.

He could not succeed in his dream to reach Venus and Mars. But he hoped that somebody will make his dream come true one day.

"Shall We Throw A Party ?"

It is known that most teenagers hold parties at home and that the parents don't always agree because they are afraid of leaving the children alone, mainly because they want to be there to control the party. But this isn't fair. Teenagers feel more comfortable and hospitable without their parents' presence. Most young people feel shy to dance and even to speak freely to other teenagers of the opposite sex when their parents are present. The party will not be a successful one. The best way to deal with such a situation is to convince the parents that everything will be "all right". This can be achieved by accepting the parents' "party rules". But where could our parents go during the night of the party? This problem can be solved easily. They can go for a walk, a coffee, or to watch a movie at the cinema until three or four o'clock in the morning !!! We're kidding!

THE ILIAD

"The Iliad" is one of the greatest poems in any language. Yet we know very little about the person who wrote it. Most experts believe the person who wrote "The Iliad" was someone called Homer, who was blind and who lived somewhere in Asia Minor, perhaps in Chios. But how did the poem come about?

This is what some experts who have studied the problem believe: In ancient Greece, there were a lot of poets whom travelled around telling stories. One of the most popular stories was about the Trojan War, which took place in the 12th century BC. Poets learnt their poems by heart and passed them on to others by word of mouth. Then, in about 800 BC, Homer, who was one of these poets, put a lot of the old stories together and made them into one great poem, which today we call "The Iliad"
